

WHO IS BANCARD

Bank of Maumee has partnered with Banc Card, an Independent Sales Organization that offers credit card processing, check services, and transaction authorization, and network services to businesses accepting credit and debit cards as payments for products and services.

Banc Card acts as the credit card merchant services division, check conversion to electronic media, verification, and guarantee service (as an outsource company) for several hundred-branch banks in Tennessee, Georgia, Alabama, Mississippi, North Carolina, Ohio, Michigan, and New York.

WHAT WE PROCESS

Banc Card processes all major credit cards (Visa, MasterCard, American Express, Discover, Diners Club, and Carte Blanche) as well as Private Label cards, and debit cards. Other services include check guarantee, check verification, conversion of checks to electronic media, ACH check services, electronic gift card, and internet-based processing of credit cards for internet web sites.
